<p align="center">Graduation Rate – Student Right-to-Know</p>	<p align="center">Student Body Diversity & Pell Grant Recipients</p>																								
<p>This is the percentage of students entering the institution as full-time, first-time (no prior postsecondary education), degree/certificate-seeking undergraduate students who entered between September 1, 2013 and August 31, 2014, and who completed their programs within 150 percent of normal time to completion. Disaggregated graduation rate data displayed by gender, race/ethnicity, and financial aid status are based on the same cohort of students. Because many of our students have previous college experience, the number of students measured in this rate is relatively small as compared to the total campus population.</p> <p>The overall Graduation Rate for this campus is 70%, as reported in the 2016 – 2017 IPEDS Graduation Rates Survey. The graduation rates for various subgroups of students appear below:</p> <p>Male: * Female: 70%</p> <p>Pell Grant Recipients: 61% Subsidized Stafford Loan Recipients (No Pell Grant): * No Subsidized Stafford Loan/No Pell Grant: 80%</p> <p>American Indian or Alaska Native: * Asian: * Black or African American: * Hispanic: * Native Hawaiian or Other Pacific Islander: n/a Race and Ethnicity Unknown: * Two or More Races: * Non-Resident Alien: n/a White: 71%</p> <p><i>Note: "n/a" = no members of this racial or ethnic group were represented in the cohort. "*" = graduation rate data suppressed due to less than 10 students being represented in the cohort.</i></p>	<p>The demographic data provided below are based on students enrolled between August 1, 2016 and October 31, 2016, as reported in the 2016-2017 IPEDS Fall Enrollment Survey.
