

Minnesota School of Cosmetology

2018 (2017 Data) Annual Report

This is the data reported to the National Accrediting Commission of Career Arts & Sciences (NACCAS) by Minnesota School of Cosmetology in its most recent Annual Report.

Minnesota School of Cosmetology – Plymouth & Woodbury

Graduation Rate: 58.42%

Placement Rate: 90.99%

Licensure Rate 97.06%

The rates above include students scheduled to graduate between January 1, 2017 and December 31, 2017, and include both Minnesota School of Cosmetology campus locations.

The graduation, placement, and licensure rates are calculated by NACCAS according to NACCAS standards. NACCAS annual report instructions and definitions can be found here: <http://naccas.org/naccas/annual-report-information>
